YOUR HOSTS REGION VILLACH – FAAKER SEE – OSSIACHER SEE

Enjoyment and adventure combined in the heart of Carinthia. Our holiday region is a true natural paradise. Lakes, mountains, beautiful landscapes, and idyllic places await you here.

The beauty of the natural environment and the mild climate of the southern side of the Alps guarantees, especially in late summer, a diverse kind of freedom on two wheels.

Around the central hot spot of Faaker See, panoramic alpine roads and winding mountain passes make for extraordinary motorcycle tours. In between, gentle hills, shady stretches of woods, and lake roads are perfect for pleasant cruising.

Carinthia is one of the most popular holiday destinations in Austria, and there are also countless destinations in and around Villach for exciting and relaxing stops.

Food lovers, particularly, will come into their own if they get out of the saddle from time to time. The delicious cuisine and the well-known warm hospitality of the Alps-Adriatic region ultimately make such a trip thoroughly enjoyable.

This September, you will find all of this and more. Use this road map and 'experience' the full creativity of our hosts.

VILLACH BIKERS WELCOME

As in previous years, Villach's old town is giving motorcyclists a very special welcome this year.

The beloved VIP parking spots in the pedestrian zone have again been put in place, specially for **#BACKTOTHEROADS**. From September 5 you can park your bike right where the action is.

Until late autumn, Villach's downtown is showcasing itself as Carinthia's most beautiful living room. Enlarged outdoor dining areas, extraordinary decorations, special shopping nights, the most diverse cultural program, and a spectacular water show on the Drau River provide variety.

On Wednesday and Friday, the legendary living room concerts in selected open-air restaurants ensure a relaxed atmosphere. [See pages 16 and 17 for the live music program.]

The big highlight is of course the big biker parade, which takes place on Saturday from around 12:15 p.m. through the center of Villach.

A trip to the center of the region thus becomes a very special experience.

VILLACH DRAUPULS SHOW

There is an extra special water show offered again this year dedicated to all music fans.

With spectacular lighting effects, optical highlights, and musical accompaniment, the DRAUpuls multimedia water show is mesmerizing.

In addition to the theme show „Rock-IT“ from the previous year, there will also be performances entitled „James Bond in Concert“ and „Italo Hits“ this year.

Villach's Old Town "Carinthia's Most Beautiful Living Room"

#02

Villach is always worth a visit. The comfortable atmosphere is simply an invitation for coffee, Alps-Adriatic cuisine, and a shopping spree.

Gerlitz Alp with Cable Car "Take a Break, Take a Flight"

#03

From Ossiacher See you can reach the Gerlitz Alp. Park at the spacious parking area and take yourself on an unforgettable panoramic journey with the Kanzelbahn cable car!

Ossiacher See "Discover the Unexpected"

The magical towns around Ossiacher See just beg you to pause and explore. Visit the Ossiach Abbey or the Landskron Castle with the Eagle Show and Monkey Mountain.

Dreiländereck Chairlifts "Through Three Countries"

#05

The tri-border area is a beloved excursion destination. After a short hike you can set foot in Slovenia, Italy, or Austria, depending on your mood.

AROUND VILLACH IN THE REGION

Bunker Museum Wurzenpass "Pitstop for History Buffs"

A popular route to Slovenia over the Wurzen Pass goes through an area that was secured by the military through the Cold War. Right in the middle: the Bunker Museum.

Faaker See "Simply Breathtaking"

#07

Past Finkenstein Castle comes the Baumgartnerhöhe. Good food and view guaranteed. A walk to the breathtaking panorama of the Taborhöhe is also totally worth it.

Dobratsch Circular Tour "Around the Local Mountain"

#08

Pass small towns with pleasant places to stop and you get to the former mining town of Bad Bleiberg. Recommended: A visit to the Terra Montana mining museum!

Egger Marterl "#Harleywood"

#09

A mandatory stop on a trip around Faaker See is Egger Marterl. The photo scene with the giant picture frame should not be missing from anyone's biker album.

KärntenTherme "Water Fun in any Weather"

#10

The KärntenTherme thermal spa in Warmbad-Villach, with relaxing water and wellness areas, awaits you after a long ride.

MOBILITY GETTING AROUND BY BUS & TRAIN

As usual, Harley-Davidson and the holiday region Villach - Faaker See - Ossiacher See ensure the kind of mobility that you are used to. Shuttle buses and the S-Bahn connect Villach and Ossiacher See with Faaker See. This way it's guaranteed that your motorcycle can have a break from time to time.

The S-Bahn, the "Ossiach" and „Bleiberg" shuttle, and several selected Postbus lines are free for Erlebnis CARD holders.

There is a fee for the use of all other shuttle services.

There will also be a roundabout regulation again this year, which will begin on Tuesday. Please note the traffic signs on site!
